"IRON-JAWED ANGELS"
Hosted by:  
Conference Committee
Introduced by:  
**Kristie Iwamoto**, CCA Women’s Director

Katja von Garnier's "Iron Jawed Angels" tells the remarkable and little-known story of a group of passionate and dynamic young women, led by Alice Paul (Hilary Swank) and her friend Lucy Burns (Frances O’Connor), who put their lives on the line to fight for American women's right to vote. This true story has startling parallels to today, as the young activists struggle with issues such as the challenges of protesting a popular President during wartime and the perennial balancing act between love and career.

UPCOMING CCA CONFERENCES

CCA is pleased to offer three distinct and timely statewide conferences each year. In 2014-15, CCA transitioned to a revised schedule that more closely follows membership, bargaining, and legislative calendars.

SPRING CONFERENCE

The Spring Conference is held in mid-April and highlights lobbying and contract enforcement issues. While we wish that politics did not play a role in education, we know that having a strong lobbying effort and strong local trustees are essential to a healthy college campus. This conference highlights the political accomplishments of distinguished legislators who have been advocates of community college issues. We also highlight our "We Honor Ours" (W.H.O.) Awards. This is a special program of honoring our own local and state heroes.

2016 Spring Conference
April 15-17, 2016
Hilton Orange County/Costa Mesa

FALL CONFERENCE

The Fall Conference is always held in early October and highlights membership accomplishments and various aspects of keeping our members engaged in the process of being the strongest local chapter possible.

2016 Fall Conference
October 7-9, 2016
Sheraton Grand – Sacramento

WINTER CONFERENCE

The Winter Conference is held in early February and focuses on collective bargaining. Since there is no council meeting at the Winter Conference, it is an ideal time for bargaining teams to attend a conference dedicated to enhancing bargaining skills and coordinating bargaining strategies with other local associations throughout the state.

2017 Winter Conference
