

**For You • For Your Family • For Your Career**

**Member Benefits Awards\*  
Will be Available**

There are many ways to build strong associations.  
An organizing tool you can employ is sharing the  
value of Member Benefits.

Leaders focused on membership  
engagement are invited to join  
Member Benefits experts to develop  
blueprints to strengthen your local's  
foundations and shore up your  
organizing activities.

You'll be the designer and we'll provide the tools  
to construct a plan tailored to your local.

\*Once registration is available, contact the Member Benefits Department at 650-552-5441 to secure your award code for one of the limited number of Member Benefits SI Awards. This includes your registration fee and reimbursement for travel expenses (restriction apply). One award per chapter while supplies last.

Contact the Member Benefits Department for additional information  
about this Strand and the Awards for Summer Institute.
