

Wanted: Teacher Dreams

INNOVATION EXPO | #IFTEXPO18 | CTA IFT GRANTS

Launch Your Teacher Dreams at #IFTEXPO

Set your weekend into motion by meeting some of CTA's most innovative teachers! Join us at the Pre-GTC #IFTEXPO18 where you will be inspired by a glimpse at how educational dreams came true for four dozen CTA members in 2017-18. The Institute for Teaching (IFT) awards Educator Grants (up to \$5,000) and Impact Grants (up to \$20,000) and distributes nearly \$600,000 for classroom projects and activities thanks to our members' voluntary dues contributions. Meet the teachers who received these grants. Ask them questions. Get help with the grant writing process. Get ready to submit your proposal for the 2018-2019 school year. Dreams can come true!
