

Issues Conference Transportation Reimbursement

As a special incentive to attend this valuable training, transportation costs will be reimbursed for first-time participants from chapters with 300 or fewer members; for up to four participants from Service Center Councils; and for up to five participants from each UniServ unit. All other transportation costs are the responsibility of the individual, the chapter, the Service Center Council or the UniServ unit. Transportation reimbursement is based on grant recipient reimbursement guidelines.

Full conference attendance from Saturday morning to the closing of the conference on Sunday is required for transportation reimbursement
