Issues Conference Transportation Reimbursement

As a special incentive to attend this valuable training, transportation costs will be reimbursed for the following attendees:

- First-time participants from chapters with 300 or fewer members
- For up to four participants from each Service Center Council
- For up to five participants from each UniServ unit

All other transportation costs are the responsibility of the individual, the chapter, the Service Center Council or the UniServ unit. Transportation reimbursement is based on grant recipient reimbursement guidelines and includes either the most economical coach roundtrip fare (based on a 21-day advance purchase) OR mileage at the IRS rate not to exceed the most economical coach roundtrip fare.

Full conference attendance from Saturday morning to the closing of the conference on Sunday is required for transportation reimbursement.
