Inclusive Practices, IEP Rights and Responsibilities, and Supporting Students with Disabilities

1 DAY
Presented by CTA staff and classroom teachers
February 7, 2020 | San Jose, CA
March 13, 2020 | Garden Grove, CA

$25
Registration fee for CTA members. See website for other rates.

Currently in the state of California, many school districts are moving to an “inclusion” model in the general education classroom. This means that many of our general education teachers are working with an increased number of students with IEPs.

Highlights
Evidence-based behavioral interventions
Co-teaching best practices
IEP rights and responsibilities
Understanding the accessibility tools of the Smarter Balanced Assessment
Instructional strategies for working with students with IEPs in the general education classroom.
