Virtual

### Contact Information & Presenter Information

- CTA Member/ CTA Staff/ Neither
- Biography Statement & Headshot

### Session Information

- **Session Title-** (Published Information – please use [Title Case](#)) *We suggest using a catchy title to entice participants to your session.*
- **Co-Presenter-** Name(s) and Email(s). *We recommend having a co-presenter to help monitor any content questions in the virtual Q&A*
- **Audience –** (Published Information) – (check the boxes) Special education, General education, both, education specialists, support personnel
- **Audience Skill Level Scale-** (Published Information) Scale from 1 = Beginner to 5 = Expert
- **Learning Environment –** What type of learning environment does your session address? Special Education only environment; general education classroom/inclusion; other
- **Teaching Considerations:** Due to the COVID-19 pandemic, many teachers are working in a variety of online/in-person models. How does your session meet the needs of teachers who are engaged in these different models?
- **Disabilities:** What identified disabilities if any, does your session address (for example, students with autism)?
- **Grade Level –** (Published Information) – PreK-K, 1-2, 3-5, 6-8, 9-12, Adult Transition All (can pick multiple)
- **Session Description-** (Published Information) This must be completed for the application to be considered. Applicants are responsible for editing their own description and must thoroughly check them before submitting for correct grammar and punctuation. Participants should know what to expect out of a workshop based on the description. Please describe any subject matter you are covering.
- **Session Activity-** Each workshop is 75 minutes long. How do you plan on considering the needs of adult learners during your online presentation? We recommend at least one activity for every 10 minutes of talking. What do you plan on doing during your presentation to keep educators engaged?
- **CTA Virtual Pass -** This conference will be fully virtual and recorded sessions will be available to attendees later via the CTA Virtual Pass online learning system. These recorded sessions provide flexibility for continued learning and are only available to CTA members. If you do not want the selected session to be available to members after the conference, please share your concerns below.
